

WARRIOR TRAILS

By Robin Newcomer

Congratulations to next year's ASB council! Steve Bunch will be presiding over the first semester council as president of the student body along with Rich Schwanback, vice president; JoDee Taylor, secretary of finance; Dan Whelan, secretary of honors; Clare Monoshita, secretary of correspondence; Karl Roderfer, secretary of publicity; Dale Whitney, secretary of club coordination; Tom Miles, secretary of athletics; and Becky Crum, secretary of morale.

Class presidents who also are included on the ASB council are George DuBack, the class of '68's leader; Rocky Westlake, in command of the juniors; and Rick Peterson, representing the sophomores. The new freshmen entering next year will choose their council members during the first two weeks of school.

SPECIAL opportunity to participate in the Fourth Weightlifting Contest is here for interested boys. Competition includes the clean and press, clean and jerk, and the bench press, and will be held in the wrestling room at 3 p.m. tomorrow and Friday. Trophies donated by the Lettermen's Club will be presented to the winners of each of the seven weight classes.

Steve Bunch, ASB president for '67, will be spending a week representing West at Anytown USA at Idyllwild, Calif. This program is new to the West, although it has been in existence for 17 years. The camp, consisting of a self-government system, includes a council of mayor, town council, and commissioners, elected by the representatives.

THE VARIOUS features of the program include dramatization and discussions on family, school, and community problems; a religious worship, each according to his faith; and the publication of "The Anytown" newspaper. The learning experiences gained will help in human relations and youth leadership to students of various racial, religious and economic backgrounds.

By the way, don't let finals get you down — remember next week is the last week of school and the last three days are half days. So think summer!

Trall's End!

New President

Edwin H. Gott has been elected president and chief administrative officer of United States Steel. He succeeds Leslie B. Worthington, who will retire June 30 after 25 years of service.
